Joey Reynolds in Israel

Joey Reynolds considers his show the "Seinfeld of Radio" it's about nothing and it's a hit! Actually, it's more like a party every night - with good friends

like Les Paul and Michael Imperoli, you never know just who will stop by! He treats them like family, as though they were a permanent fixture on his show. Joey's unique style sparkles with a refreshingly rare, sharp and spontaneous wit. He keeps the loyalty of his listeners by making them feel like they're in on the joke. Joey is heard weekdays overnight on the [WOR Radio Network](#) originating from New York.

Aliza Hava, Joey, Idan Raichel

Joey Reynolds and his producer Myra Chanin broadcast live from Israel as guests of America's Voices in Israel.

Eliyahu McLean, Phyllis Glazer, Joey, Sheikh Abdul Aziz Bukhari, Shai Zeltzer
